## Welcoming WAVE Project!

We were very excited to welcome WAVE Project to RBI on Saturday morning. They are an incredible organization that provides mobile showers to those in need. Some of our clients are facing utility/water shutoffs or lack access to safe hygiene facilities, so this is an opportunity for them to take a hot shower in a safe environment.

The partnership was a success and we are looking forward to welcoming them back in June. Thank you WAVE!!

## **Spring is here!**

The RBI Community Garden is starting to come back to life after a full Spring clean up. We welcome help from the community and other volunteers to work in the garden each summer. Contact us today to learn more about volunteering!

# We need your help!

Looking to start your 2021 by helping others? Here at RBI, we are in need of:

- [VIRTUAL TUTORS](#) for our online tutoring program. We are expanding our tutoring program and need more volunteers who have experience with tutoring (any age, any subject), comfortable communicating virtually, and available in the afternoons or evenings.
- [IN-KIND DONATIONS](#). Although we need more time to sort through the clothing donations that we received at the end of last year, we are accepting household items, linens, towels, winter coats and boots, and personal care items. We are also accepting appliances and mattress sets. Keep in mind that these don't have to be used! We gladly accept shipments/deliveries of new goods, so feel free to order online for delivery directly to us.
- [FINANCIAL DONATIONS](#). Always appreciated and needed! ***Click the button below to donate today!***
