Making Connections • Building Communities • Transforming Lives

Community Health Care!

The WAYNE HEALTH MOBILE UNIT spent Saturday morning at RBI. They provide FREE access to necessary health screening services and resources, such as:

- Diabetes, Cholesterol and Kidney Function Screening
- Blood Pressure Screening
- Vital Signs
- HIV Screening (20 min results)

- COVID-19 Vaccinations (12+ years old)
- COVID-19 Testing (3+ years old)
- and Linkage to Community Resources

Rather than needing to travel to a local health facility, these procedures are brought right into the community with no appointments or insurance required.

They will be returning on October 30th and November 20th. This is another wonderful partnership for RBI, helping us continue to ensure our community stays healthy!

Donate here to keep these programs going!
