RBI 2022

Annual Report

*REDFORD BRIGHTMOOR INITIATIVE celebrated its
10 year anniversary in 2022!*

Over the past decade, RBI has served thousands of people in so many ways! With many programs and services offered on a weekly basis, we are proud of our accomplishments and the communities that we have become a part of.

Furthermore, over the past 10 years, RBI has been fortunate to meet and serve with thousands of dedicated and generous volunteers and donors who have given their time and support to helping us put our mission statement into action. Thank you for being a part of the RBI family!

We look forward to another 10 years (and more!) of serving with compassion and grace.

Get involved at RBI:

Giving

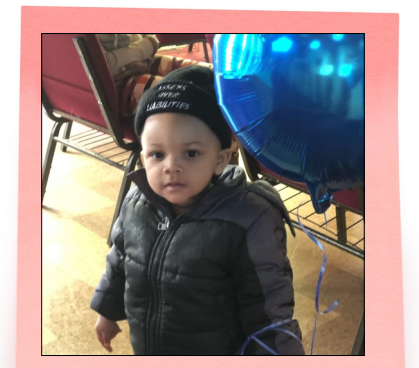

We often need clothing, household goods, linens and towels, home décor, toys, and more for our Free Stores. We also accept personal care items as well as furniture donations once per month. We always need and appreciate financial donations!

Volunteering

Make and serve breakfast or lunch on a Saturday morning. Help sort donations and restock the Free Store. Tend to the Community Garden. Help out at the laundromat. And more!
